

HAGYARD

PHARMACY

A History of Quality

Since 1876, veterinarians have trusted Hagyard's expertise, and people to deliver the best products, service and value when caring for their patients. Conceived and designed by veterinarians, Hagyard Pharmacy is staffed by licensed pharmacists, certified Technicians and associates with the shared goal to be the center-of-excellence for pharmacies in animal health.

Licensed in over 35 states, Hagyard Pharmacy dispenses prescription pharmaceuticals and offers a veterinary specialty compounding service which operates only in strictest compliance with the rules and regulations set forth by the governing state and federal agencies, as well as the guidelines provided by the American Association of Equine Practitioners (AAEP), the American Veterinary Medical Association (AVMA), the Pharmacy Compounding Accreditation Board (PCAB), and the guidelines set forth by the United States Pharmacopeia (USP). Hagyard Pharmacy is also dotPharmacy certified and Healthcare Merchant Accredited through the National Association of Boards of Pharmacy.

A Pharmacy You Can Trust

Hagyard Pharmacy was built by veterinarians for veterinarians. Our pharmacists are dedicated to you and your patients, and have the expertise to provide specialty medications to treat even your most challenging cases.

Hagyard Pharmacy, already recognized throughout the industry for our equine knowledge and expertise, now goes beyond horse health. We can also tailor compounds specifically for small animal needs, considering species specific toxicities, client-friendly routes of administration, and patient-friendly flavor enhancements.
