BETTER BASICS.®

ENGEL BROTHERS™
FINE JEWELRY

Dear Customers,

We are very excited to present our new catalog, featuring the David Connolly, Better Basics[®] and Engel Brothers[™] collections. Designed as a “user-friendly” guide for you to share with your customers, we offer everything from stud earrings to luxury heirloom quality treasures.

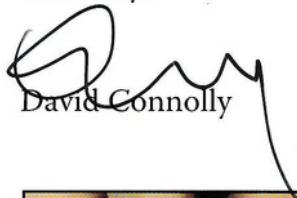

Our many gemstone styles are available in a variety of colors, including Amethyst, Aquamarine, Blue Topaz, Blue Zircon, Citrine, Created Alexandrite, Cultured Pearls, Emerald, Garnet, Opal, Peridot, Pink Sapphire, Pink Tourmaline, Rhodolite Garnet, Ruby, Sapphire and Tanzanite. Each stone has been individually selected by our expert colored stone buyer who along with me often travel as far as Thailand to bring you the finest in color and cut.

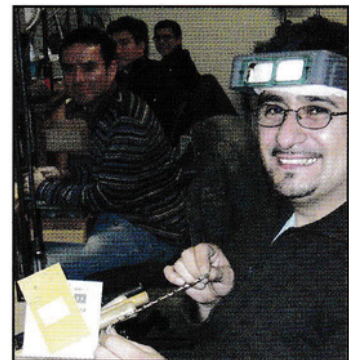

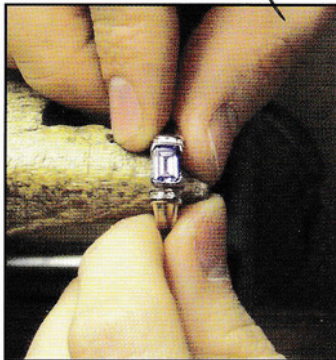

In accordance with the Kimberly Process we have taken every measure possible to guarantee that our diamonds are conflict free based on written guarantees provided by the suppliers of our diamonds.

We believe in keeping jobs in America. Therefore we continue to offer the same degree of quality and care by manufacturing our jewelry in our Connecticut facility. It is also allows us to monitor first hand the quality of the jewelry I put my name on.

We hope you enjoy exploring the many new styles available in both Better Basics[®] and Engel Brothers[™]. Please keep in mind we are always searching for new and exciting styles, so keep an eye out for our direct mailings!

Sincerely,

David Connolly
